

# Where to spend your golden years?

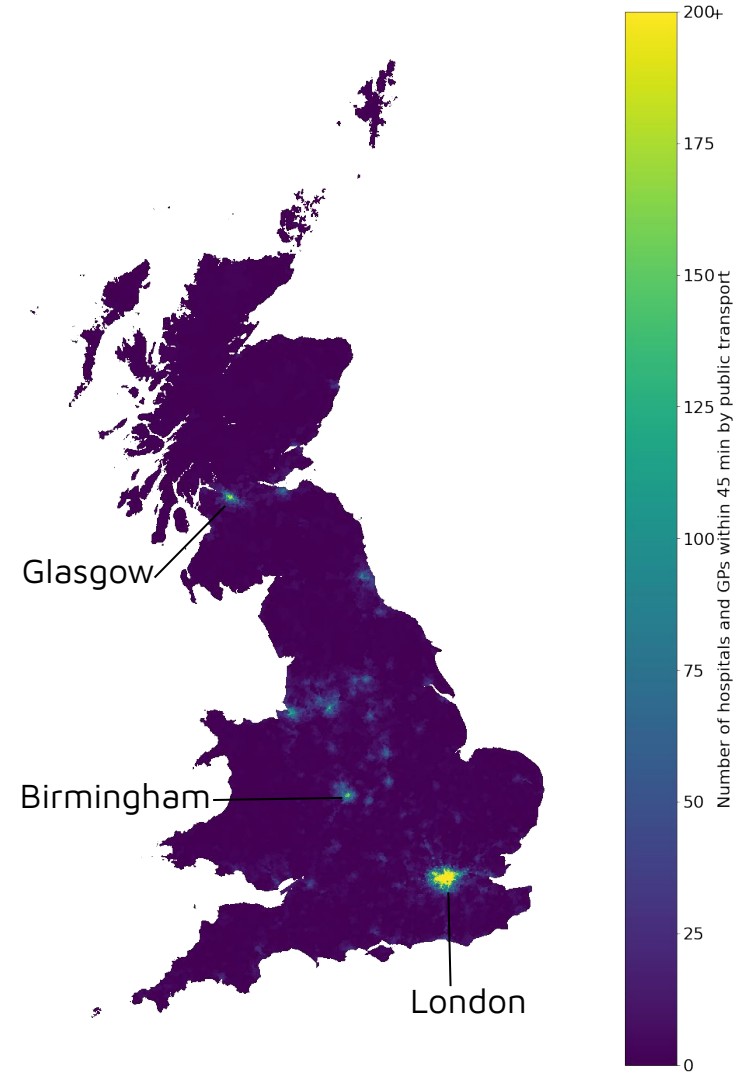

A look at healthcare accessibility by public transport

(UBDC Public Transport Accessibility Indicators 2022)

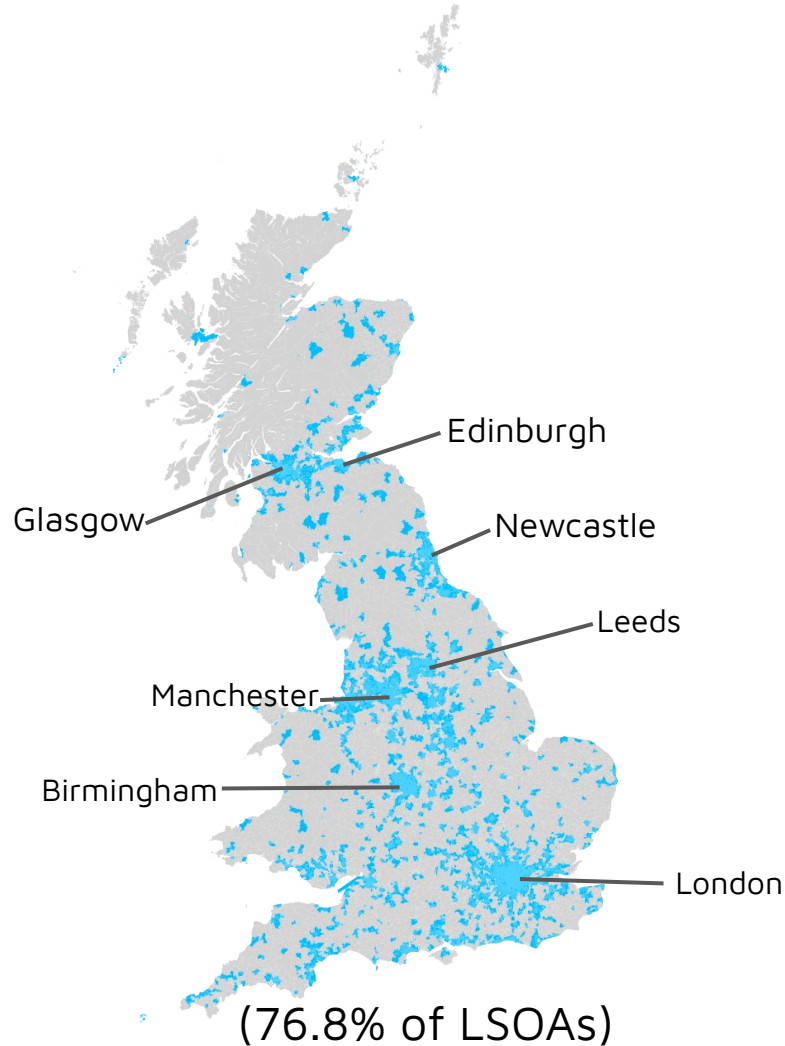

Manon Prédhumeau

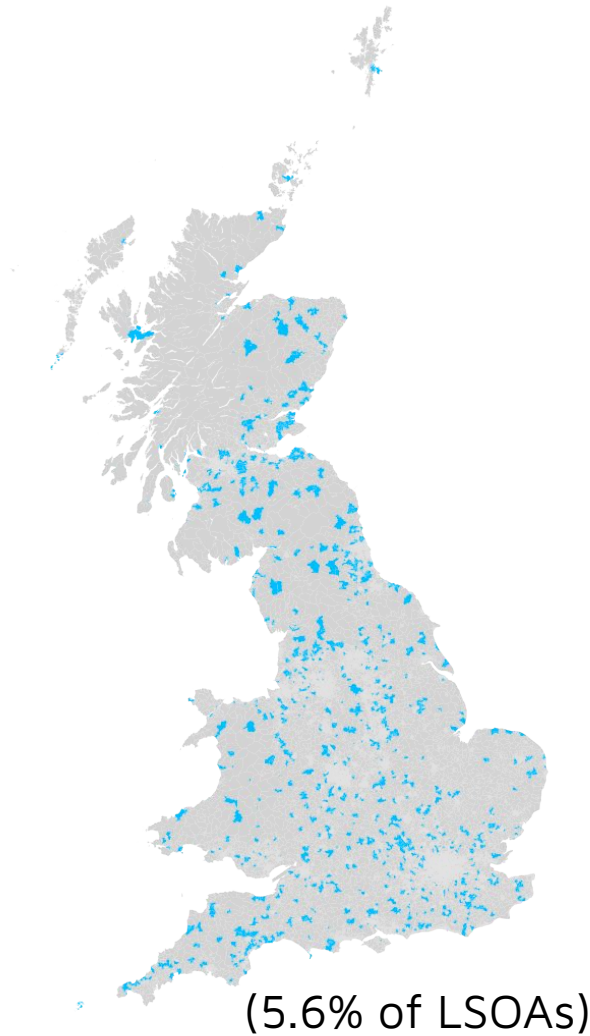

# Number of hospitals and GPs within 45 min by public transport

# Areas with at least one hospital and one GP within 45 min by public transport

Rural areas with at least one  
hospital and one GP within 45 min  
by public transport

3,305,309 seniors 80+ in Great Britain  
27.3 % of them can not reach both a hospital and a GP in 45  
min by public transport

Scotland	England	Wales
23.8%	26.5%	45.6%
